This newly renovated bungalow in a quiet crescent close to 2 schools, grocery store, restaurants and pharmacy is sure to please. The home was taken back to the interior studs during the refurbishing process and provides a bright, pleasing and current open floor plan on main level with new kitchen, c/w quartz counter tops, new ss LG appliances, electric modern fireplace, new vinyl plank flooring throughout, matching wood accents, all new interior/exterior doors, handles, and LED lighting throughout. Both bathrooms have been completely refurbished with new matching fixtures, tile, and stone vanities. Four generous bedrooms make this an ideal family home. The basement is also fully developed providing a combined approximately 1800 sq ft of livable space. In addition to the visible new interior features, the home also has new shingled roof, new high efficiency furnace, some new siding, new bbq martini deck and newly seeded lawn and landscaping. An enormous amount of work and care has gone into this newly refurbished home and you are sure to notice and appreciate the upgrades upon viewing.
